San Francisco Unified School District Community Meetings on School Closures, Mergers and Relocations

San Francisco Unified School District staff will host four regional community meetings on school closures, mergers and relocations. Refer to the chart below for your school's community meeting time and location.

What will happen at these meetings?

- School district staff will provide information to school communities about the Board of Education's upcoming decisions on school closures, mergers and relocations.
- Community members will share their feedback and concerns with school district staff.
