Does Your Child Need Help?

Does your child need an Assessment for Special Education or Special Education Services?

All children develop at different rates and in different ways. If you think that your child may have a disability in one or more of the following areas:

- * Autism
- * Deafness
- * Hearing Impairment
- * Multiple disabilities
- * Other health impairment
- * Speech language impairment
- * Visual impairment
- * Deaf/Blind
- * Emotional disturbance
- * Mental retardation
- * Orthopedic impairment
- * Specific learning disability
- * Traumatic brain injury

Please contact one of the following:

Birth to 3

Contact Golden Gate Regional Center at 888-339-3305

3 to 5 yrs

Contact Pre-School Intake Unit at (415) 355-7735

In a SFUSD public school

Contact the school principal

In a S.F. private/parochial school

For psycho-educational assessments, contact Screening and Assessment Center at (415) 695-5500 For all other evaluations, (e.g. speech, occupational therapy, etc.) contact SFUSD Special Education Services at (415) 355-7735.

Note: State and Local Educational Agencies are responsible for initially assessing children and students who are referred for suspected disabilities from birth through 18 years. Some of these children and students MAY BE ELIGIBLE to receive Special Education Services. Students enrolled in private/parochial schools who do not reside in San Francisco should contact the local school district in which the family resides.
