

## Video Series Featuring Dr. Mel Levine

**Looking for a program to help  
parents and teachers?  
You can check out a *Developing Minds*  
video to show at your school.**

This groundbreaking multimedia video series from *All Kinds of Minds* and *Dr. Mel Levine* helps you understand how each student learns and provides tools and strategies to address differences in learning so all students can be more successful in school – and in life.

**Check the topic below that you would like to borrow. (Please also check an alternative topic in the event another school has checked out your choice.)**

- |   |   |
|---|---|
| <input type="checkbox"/> Mastering the Challenge of Reading | <input type="checkbox"/> Higher Order Cognition               |
| <input type="checkbox"/> Getting Thoughts on Paper          | <input type="checkbox"/> Thinking with Numbers                |
| <input type="checkbox"/> Understanding                      | <input type="checkbox"/> Understanding                        |
| <input type="checkbox"/> Getting Organized                  | <input type="checkbox"/> Student Output                       |
